Brief Description

The international trade magazine baby&junior has been the industry organ for trade and industry for over 60 years and is distributed in around 30 countries. The German-language publication, which appears six times a year, presents equipment such as child car seats, strollers, furniture, textiles, care products and toys, as well as baby, children's and maternity fashion. Reports on trade shows, associations, manufacturers, the retail trade and e-commerce complement the respective key topics.

In September, the bilingual BRAND NEWS will be published in oversize format and worldwide in digital form for the Kind + Jugend trade fair in Cologne, presenting new products and providing trade fair visitors with information about the event.

Since 2023, there has also been the B2C magazine Hey Baby, which is available free of charge directly from traditional baby retailers and concept stores in Germany, Austria and Switzerland. Here everything turns around baby and infant equipment. The baby&junior website www.babyundjunior.de and its English counterpart www.babyundjunior.de/en round off the range with industry news - rounded off by the newsletter and the social media presences on Instagram, Facebook and LinkedIn.

Image data in original sizes requires a resolution of 300 dpi (min. 600 dpi for line drawings). Proof: When making the proof please consider that our printer works with standard PSO-ISO 12647-2 values both in the preparatory and in the printing stages. With our product specials we offer you the opportunity to place your print ads in a thematically appropriate environment. Additionally we make your entire collection or all new products visible in a picture gallery.

Online-Specials:

On selected times (Advent, Christmas, Easter, etc.) we „open“ a door on our website every working day (Mon.-Fri.) behind which your product can be hidden (Similar to an advent calendar). The daily interaction awakens the reader's curiosity and the product specials receive great feedback.
